PRODUCT DESCRIPTION

Designer: Matteo Thun

Venexia Floor Lamp by Panzeri

Venexia is a tribute to Venice, by designer Matteo Thun, for Panzeri. A mushroom shaped bollard, ideal for gardens and outdoor settings, the Venexia floor lamp is available in three heights (45cm, 70 cm and 95 cm). The lamp is also available in a choice of three colour options: corten, micaceous grey or wood/matt brass. Each lamp comes complete with a fixing system for ground installation. Thun combined different shapes, circular and linear, with the most modern technological expertise and created a light suitable for homes, restaurants, hotels and any private or commercial exterior environment. Rated IP65, the lamps are perfect for outdoor use, while also benefiting from an integrated LED light source emitting a direct downlight.

The [Venexia Collection](#) also includes a wall light and pendant light, both suitable for exterior use, in three colour options to choose from.
