PRODUCT DESCRIPTION

Designer: Matteo Thun

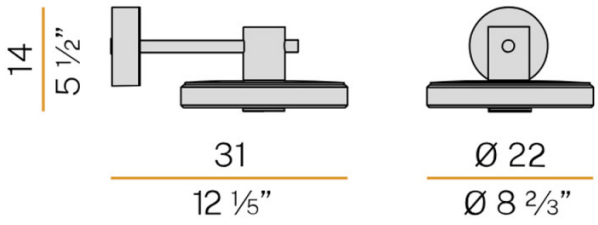

Panzeri Venexia LED Wall Light

Designed by Matteo Thun as a tribute to the romantic city of Venice, the Venexia Wall Light is an ideal addition to outdoor spaces. Its mushroom-shaped design combines a cast glass diffuser with a turned aluminium structure, creating a harmonious blend of circular and linear elements.

Available in Corten, Micaceous Grey, and Matt Brass, the Venexia Wall Light emits a soft, diffused glow and is rated IP65 for exterior use. Perfect for illuminating entrances, balconies, or outdoor walls, it is equally suited for private homes or commercial settings such as restaurants and hotels.
