Panzeri Bella LED Wall Light

The Panzeri Bella LED Wall Light offers a sleek and functional design, ideal for modern interiors. Designed by Enzo Panzeri, this wall light features a compact form and adjustable head, allowing you to customise the direction of light.

Available in two fitting options, standard or recessed, the Bella Wall Light provides versatility for various installations. The head can swivel up to 355° and tilt at two points, ensuring precise illumination for tasks or accent lighting. With dimming technology, the integrated 5-step dimmer allows you to adjust the brightness with ease.

Choose from five finishes, white, black, bronze, matte brass, and titanium, to match your décor. Perfect for bedside lighting, reading corners, or hospitality settings, the Bella Wall Light brings elegance and functionality to any space.
