PRODUCT DESCRIPTION

Designer: Vilhelm Lauritzen

Louis Poulsen VL Ring Crown Wall Light

Based on a design from the 1940s by Vilhelm Lauritzen, the Louis Poulsen VL Ring Crown Wall Light has a timeless and vintage look. The wall light has a beautiful brass arm that arches to hold an opal glass lampshade. The solid brass will patina over time, adding character to the light fixture, and the shade has 3 layers of glass to completely conceal the light source.

The VL Ring Crown Wall Lamp creates a cosy and warm ambience, being a wonderful addition to any interior. The classic design and modern techniques used to create the wall lamp combine to produce a thoroughly versatile light that will emit an effective glow. Use in hallways, bedrooms, lounges, corridors and more, either alone or in multiple.

Please Note: This wall light has to be installed by a nearby socket as it comes with a cable and plug. It can be hard-wired if wired by a qualified electrician.

PRODUCT SPECIFICATION

Light Source:	1 x Max 12W E27 LED (Excluded)
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	Shade: Ø19cm Height: 23.3cm Depth: 27.5cm Wall Base: Ø12cm
