PRODUCT DESCRIPTION

Designer: Vilhelm Lauritzen

Louis Poulsen VL Ring Crown 1 Pendant Light

The VL Ring Crown 1 Pendant was reintroduced in 2019, based on a design by Vilhelm Lauritzen from the 1940s. The elegant luminaire boasts a lovely lampshade that has smooth, round lines and is made from triple-layered opal glass, expertly diffusing the light source softly. The shade also has a chic brass fitting that, over time, will gain a patina, adding even more character to the pendant light.

The Louis Poulsen VL Ring Crown Pendant Light can be used in many settings, being useful in lounges, kitchens, dining areas and reception rooms to provide a cosy and inviting atmosphere. You can use it alone in smaller spaces or use it in rows/clusters in bigger spaces for effective illumination. Create a vintage and classic look in your interior, whether at home or at work.
