Foscarini Birdie Easy Table Lamp

One of the latest additions to the Birdie family, the Foscarini Birdie Easy Table Lamp combines quality and solidity. The base and stem are stripped to a basic form, leaving the shade to take on a more leading role. Birdie Easy table lamp was designed by Ludovica and Roberto Palomba, for Foscarini, and the Birdie family is one of the most iconic Foscarini collections, including table and floor lamps, suspension and wall lights.

Birdie Easy lamp is available in two sizes, small or large, and 6 hues, the classic white and black, as well as four more options: red brick, sand yellow, light blue and sage green. These colours reflect the recent trend found in contract projects and will add that finishing touch to your interior décor. An ideal lamp for the world of contract, and hospitality as well as for domestic areas. Birdie Easy is the go-to minimal choice for bedside lighting or a colourful addition to your desk and office.
