PRODUCT DESCRIPTION

Designer: Rodolfo Dordoni

Foscarini Lumiere 30th Table Lamp

The Lumiere lights were designed by Rodolfo Dordoni in 1990 and have since become a bestseller and icon light for Foscarini. Lumiere combines Dordoni's vision with Foscarini's philosophy, bringing a balance between tradition and innovation. The lights bring together two distinct materials, metal and glass, creating a sensational impact where there are no boundaries and opposites may meet. Over the last 30 years, the Lumiere lights evolved and changed thus becoming a design icon. And as a true icon, the light was ready to be renewed, without losing its identity. While all previous lights took on different colours, today the light matures and celebrates using two distinct glassblowing techniques - it is a celebration of the collection's success.

The Foscarini Lumiere 30th Table Lamp is available in two sizes, small and large, and you may choose a dimmable (dimmer switch) or non-dimmable(on/off switch) version. The glossy white shade comes with two patterns, the bulles and the pastilles. The **Pastilles** version the glass takes on a classic faceted pattern ("ballotton") which is created by using an incandescent paste, blown onto a diamond-shaped mould. Accordingly, the **Bulles** version is created by using a mould with a plethora of points which in turn creates all those bubbles, enclosed within the glass layers. Both versions and sizes are available with a champagne-painted brush aluminium base.

Refined and elegant the Lumiere 30th lamp provides a warm light and will easily adapt to any interior setting. A light suitable for contract projects, in hospitality as well as in residential spaces. A perfect gift for your loved ones.

PRODUCT SPECIFICATION

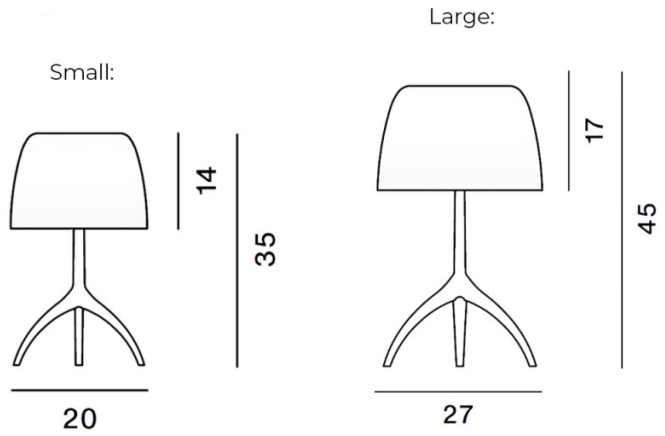

Light Source: **Small**: 1 x Max 5.9W E14 LED (included)
Large: 1 x Max 11W E27 LED (included)

IP Code: 20

Dimming: In-line on/off switch included on cable.
or
In-line dimmer included on cable.

Dimensions: **Small**:
Height: 35cm
Width: 20cm
Shade Height: 14cm
Cable Length: 190cm

Large:
Height: 45cm
Width: 27cm
Shade Height: 17cm
Cable Length: 200cm
