PRODUCT DESCRIPTION

Designer: Ludovica & Roberto Palomba

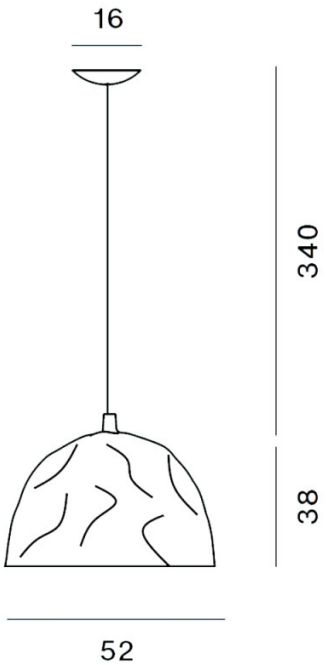

Foscarini Bump Pendant

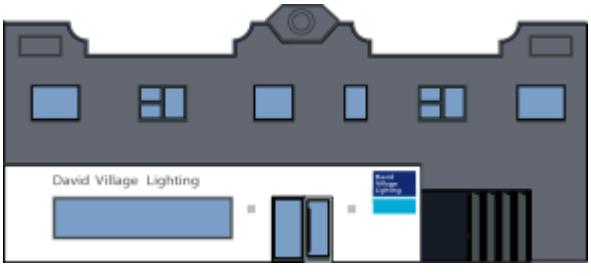

Throughout Foscarini's and Ludovica and Roberto Palomba's collaboration, their focus was based on exploring new textures and blown glass techniques. All that work led to the creation of Bump suspension, an organic and irregular-looking light. The suspension not only has a complex surface decoration but also interacts with the light in various ways.

Bump suspension light comes in three colour options, Petroleum with a white interior, Gold with a white interior and Transparent (frost). While the coloured suspensions emit a direct and focused downwards light; the transparent Bump diffuses the light through the shade itself. The dome-shaped shade is uneven, retaining an appearance of a restructured dented surface. A perfect light to install above a dining area, the living room or the kitchen, but also an excellent choice for contract projects and in hospitality.

PRODUCT SPECIFICATION

Light Source:	1 x Max 30W E27 LED (excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø52cm Shade Height: 38cm Ceiling Canopy: Ø16cm Cable Length: 340cm
