Flos IC Outdoor Wall and Ceiling Light

The Flos IC Outdoor Ceiling/Wall Light is the newest addition to the renowned **Flos IC Collection**, a range designed by Michael Anastassiades. This elegant wall/ceiling lamp is crafted from stainless steel, with a blown glass spherical shade. The shade hangs from the sleek metal structure that sits at a right angle, appearing to effortlessly float.

The IC Exterior Ceiling and Wall Light can be used outdoors, with an IP rating of 65, which ensures its durability. This minimalistic and geometric lighting solution can be used in gardens, patios, terraces, or even at your front door to welcome you home. The IC outdoor light will cast a gorgeous glow as the evening sky draws in, and with 2 sizes and 5 finishes to choose from, rest assured, you will find the right look for your space.

A compatible Flos bulb can be purchased separately. Please check individual bulb pages for product compatibility.
