PRODUCT DESCRIPTION

Designer: Anthony Dickens

Santa & Cole Tekiò Vertical LED Pendant Light

The Tekio Vertical pendant was designed by Anthony Dickens in 2017 and combines traditional materials with modern LED technology. The pendant features an integrated LED light source which is encased in a methacrylate diffuser. The diffuser is then surrounded by a lampshade made from Japanese washi paper; a material that has been used since the 14th century to make traditional Japanese lanterns.

The Tekio Vertical pendant lamp celebrates this rich history with a slim, cylindrical silhouette which hangs delicately from the ceiling. The pendant light also makes use of Dim to Warm technology which allows you to dim the colour temperature as well as the lumen output. Use in a wide variety of settings for an ambient and warming glow.

PRODUCT SPECIFICATION

Light Source:
P1: 43W, 2200-2700K, 1251 Lumens
P2: 73W, 2200-2700K, 2190 Lumens
P3: 100W, 2200-2700K, 3128 Lumens

IP Code: 20

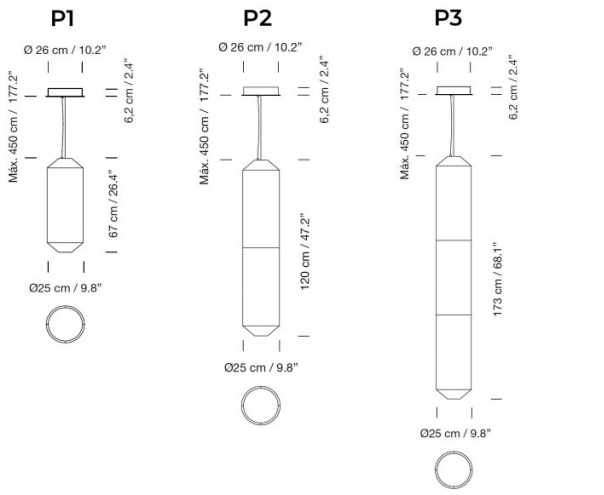

Dimming: Dimmable via 1-10V dimming systems. Please consult your electrician, additional wiring may be required on-site.

Dimensions:
P1:
Ø25cm
Height: 67cm

P2:
Ø25cm
Height: 120cm

P3:
Ø25cm
Height: 173cm

Ceiling Canopy: Ø26cm x 6.2cm
Cable Length: 450cm
