PRODUCT DESCRIPTION

Designer: Verner Panton

Verpan Pantop 23 Table Lamp

Part of Verner Panton's original Pantop collection, the Pantop 23 cm model is re-introduced to us. The Danish designer was well known for his understanding of colour and the effect it can have on someone's mood and wellbeing. Therefore, the new model is available in an array of vibrant tones or more calm and natural colour options. The colour palette was carefully selected, so that the Pantop 23 cm can suit any interior décor but also to bring its own personality into the room.

The table lamp has a metal body with an on/off switch found on the clear PVC, 2.5m long cable. The white, metallic, classic blue and black lamps have a matt finish, while the dark green, light blue, bright red, burgundy, warm yellow, dusty rose, mint grey and grey sand retain a glossy finish. The glossy lights and matt classic blue also have a chrome top bolt, while the black, matt metallic and white have a matching colour bolt. Verpan have also added two new finishes, a matt terracotta and a dusty blue. The Verpan Pantop is the perfect lamp for your desk, bed stand, the living room, office and practically any room and space; ideal for both residential and commercial projects. The iconic bell-shaped lamp will add that finishing colour touch to any interior.

The new Pantop 23cm also includes a [pendant light](#), available in the same colour tones.
