PRODUCT DESCRIPTION

Bega 84606 LED Garden and Pathway Bollard Floor Light

The Bega 84606 LED garden and pathway luminaire is a robust fitting with a striking frame encompassing the 4 sided glass windows. Made from aluminium and stainless steel, the 84606 bollard is suitable for a variety of applications and is especially useful for defining zones in an outdoor space. Also featuring an integral LED module, the 84606 is low energy consumption and low maintenance.

Available in silver or graphite, the Bega LED 84606 can also be purchased in a larger 800mm height. Please note; this listing includes the 84606 bollard with a **screw in base**. An **anchorage unit** can also be provided for the Bega 84606. For more information about these optional extras and sizes, please [contact us](#).
