PRODUCT DESCRIPTION

Designer: Enzo Panzeri

Panzeri Zero Round Horizontal LED Pendant

The Zero Round Horizontal Pendant is a contemporary lighting solution designed by Enzo Panzeri. Its sleek circular design is made from extruded aluminium, complemented by an opal polycarbonate diffuser that emits a soft, diffused glow.

This pendant light is available in six sizes (50cm to 200cm) and five finishes, including White, Black, Bronze, Matt Brass, and Titanium. For bespoke projects, a Gold Leaf finish is also available upon request. With integrated LED technology, the pendant is energy-efficient, eco-friendly, and dimmable (DALI/Push DIM). Ideal for large residential or commercial spaces, the Zero Horizontal Pendant can be installed individually or in clusters to create a striking visual effect.
