PRODUCT DESCRIPTION

Designer: Jens Fager

Muuto Tip LED Wall Lamp

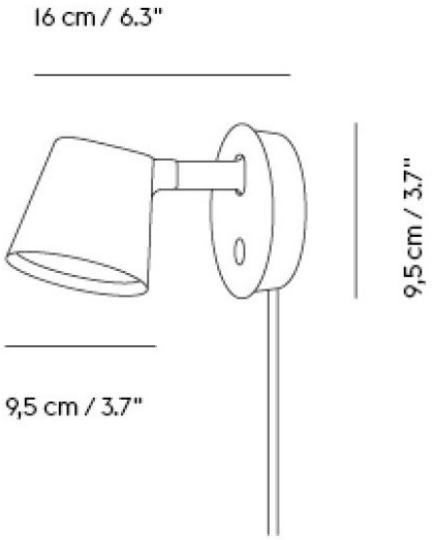

The Tip wall lamp is a part of the Muuto Tip collection designed by Jens Fager. A simplistic and stylish wall light that has an adjustable head so you can direct the light where needed, this lamp is suitable for many settings such as homes and offices. Available in 5 chic colours, black, white, grey, copper brown or light green, you can find a wonderful finish that will suit your design scheme.

Whether you want to line your hallway or need a handy bedside light the Tip wall light will satisfy you with a contemporary and modern design. The lamp also comes with an integrated LED light source which is dimmable, allowing for a long-lasting illumination with full ambient control.

This LED wall light needs to be installed by a socket as it has a cable and plug. Alternatively, you can hard wire the light into the wall following the correct safety requirements and with the help of a qualified electrician.
