PRODUCT DESCRIPTION

Designer: Atelier Oi

Tempio by Artemide

The Tempio lamp was designed by the Atelier Oi, for Artemide. The table lamp has a bronze lacquered finish and benefits from an integrated warm white LED light source. The lamp has an integrated touch dimmer, which allows you to instantly adjust light intensity depending on use.

It's a sculptural item, which has dual use either as task light or decorative when not in use. The lamp's design clearly takes inspiration from the Japanese architecture and their traditional temples. The warm light, creates a serene and peaceful atmosphere. With a slim design, the lamp will lend itself in any interior setting, both residential and commercial.
