Levitate Pendant Light by Menu

Designed by Afteroom, the Levitate pendant is a 2021 release from Menu. Combining elegant and traditional design ideals, the pendant lamp is made from an aluminium lampshade that has clean, simple lines. The overall effect makes the pendant seem like it's floating in the air, gracefully hanging down to create a beautiful aesthetic.

The Levitate pendant lamp is available in 2 sizes, the smaller 28 and the larger 40, and in 3 subtle colours, black, grey or sage green. Each pendant light is fitted with gorgeous brass fittings that sit above and below the shade, being an example of classical design. The black and sage green finishes are paired with a brass coloured fitting and the grey finish is paired with a bronzed brass coloured fitting. The light source is also concealed by a glass diffuser, allowing for a warm and soft glow, perfect for many interiors in both homes and commercial settings.
