PRODUCT DESCRIPTION

Designer: Marc Sadler

Foscarini Twiggy Elle LED Floor Lamp

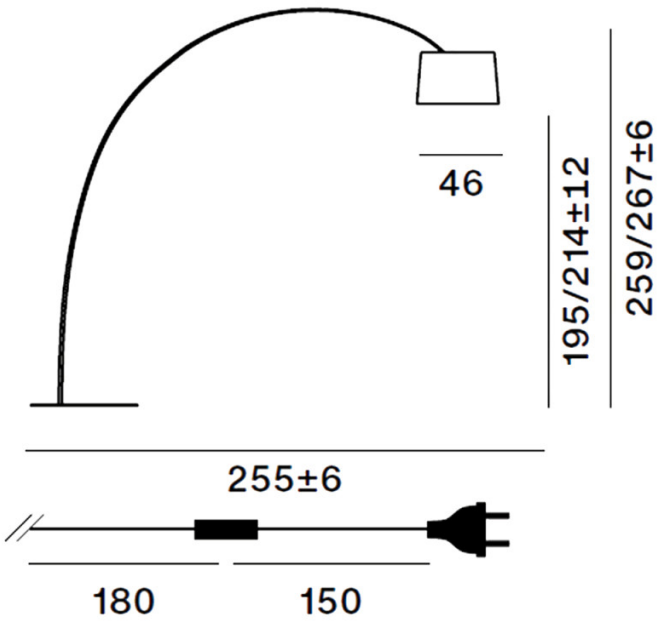

The Twiggy Elle floor lamp is a new addition to the Foscarini Twiggy collection, designed by Marc Sadler. This floor lamp builds on the design of the Twiggy by extending the rod to make the lampshade further away from the base. A versatile and modern light, the Twiggy Elle can be used in many settings and works perfectly as both a reading/task or atmospheric lighting solution.

Available in black, crimson, greige (a mix of grey and beige), graphite or white the Twiggy Elle floor light has an integrated LED which is long-lasting and effective. The lamp also has a dimmer switch on the cable so you can create the right ambience for your space. Suitable for homes and professional settings, this floor light is a stylish and chic design that will look fabulous in any interior.

Please Note: It is advised that the Foscarini Twiggy Elle LED Floor Lamp is assembled in a room with a minimum ceiling height of 280cm due to the manufacturing process.
