PRODUCT DESCRIPTION

Designer: Marc Sadler

Twiggy MyLight Tunable White LED Floor Lamp by Foscarini

The MyLight Tunable version of the [Twiggy LED floor lamp](#), this floor lamp can be controlled by the **Casambi app via bluetooth**. The app opens up many possibilities for your interior, as you can program the Twiggy MyLight LED floor lamp to create different ambiances and scenarios. The app also allows you to dim the light and choose the exact colour temperature you want, ranging from 2700K (warmest white) to 5000K.

The Twiggy MyLight Tunable floor light is available in 5 colours, crimson, graphite, black, greige (mix of grey and beige) or white, so you can find the right match for your design scheme. The bestselling and acclaimed design of this floor light will make an impact in any space and makes it perfect for many functions. Use as a reading light in your office or an ambient light for your lounge whether at home or in a professional space. Also match with others from the [Foscarini Twiggy collection](#) to create a consistent lighting scheme throughout your interior.

This light is available with additional stems to extend the size. Please see the specification image for dimensions and [contact us](#) for more information.
