PRODUCT DESCRIPTION

Designer: Marc Sadler

Twiggy Wood MyLight Tunable White LED Floor Lamp by Foscarini

Designed by Marc Sadler as a new product for the [Foscarini Twiggy collection](#), the Twiggy Wood Tunable White floor lamp is the **MyLight version** of the [Twiggy Wood LED floor lamp](#). This lamp can be dimmed and controlled using the **Casambi app** and has a colour temperature range of 2700K (warmest white) to 5000K (very cool white), so you can find the right hue and mood for your interior. An intelligent and technologically advanced light, the Twiggy Wood MyLight LED floor lamp also has a beautiful aesthetic.

Available with either a greige (mix of beige and grey) or black structure, this floor lamp also has a maple wood lampshade, adding an organic and natural look to any room. With an arched arm, this floor light can be used as an atmospheric light or as a handy task/reading light, useful in professional and domestic settings. Do not miss out on this innovative and striking lamp!

The Twiggy Wood Tunable LED floor lamp also is available with additional stems to extend the size. Please see the specification image for reference and [contact us](#) for more info and prices.
