PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

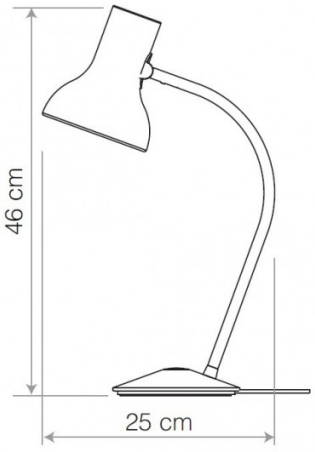

Anglepoise Type 75 Mini Table Lamp

Part of the **Anglepoise Type 75 Collection**, the Type 75 Mini Table Lamp takes the Type 75 design in a new direction. The lamp's form is simplified in scope for a simple yet elegant profile, while the curved arm adds a decorative element. With a wide range of movement within the shade, the Type 75 Mini Table Lamp is an ideal reading companion that provides a touch of sophistication to any interior.

When switched on, the Type 75 Mini Table Lamp casts a bright, directed beam, perfect for use in an office, next to a sofa, or at a bedside. Available in three finishes- Turmeric Gold, Mole, Grey, and Black Umber- the lamp suits a range of decors, both classic and contemporary. Its compact size suits spaces where a smaller, neater profile is preferred.
