PRODUCT DESCRIPTION

Designer: Joan Gaspar

Marset Chispa Outdoor LED Portable Table Lamp

The Chispa LED portable lamp is a new release from Marset and is a very versatile lamp designed by Joan Gaspar. With an IP rating of 44, this table lamp can be used both indoors and outdoors as a handy light for tasks, reading and for creating ambiance. There is a dimmer switch that dims the integrated LED light source in 3 steps and a cord with a hook is also included in the purchase so you can hang the light wherever you need.

The Chispa LED portable table light is available in 4 striking colours, orange, black, green or blue, and comes with a charger cable so you can use the light all around your interior and exterior. With a chic and intriguing design, the Chispa table lamp is perfect for both homes and professional settings and will provide a functional and warm glow, wonderful for all your needs.
