Vinyl Pendant Light by Diesel Living with Lodes

Made from metal, the Vinyl pendant resembles an old music record, with grooves characterising the circular lampshade. The graphic nature of this pendant light gives it a lively aesthetic that will look both eye-catching and chic in your interior. Available in a deep black or silver colour finish and a small or large size, you can find the right fit for your room and design scheme.

The Vinyl pendant lamp is suitable for many settings, whether you need a main light for your home lounge or a pendant to hang in rows over tables in a business space.

***The pendant is pictured with a black-mirrored light bulb which isn't included in the purchase.** For indirect lighting it is recommended you pair with a mirrored light bulb but for a more exposed look and glow, you can use a regular light bulb.
