PRODUCT DESCRIPTION

Designer: Marco Dessí

Cima Suspension and Floor Light by Lodes

The Cima pendant is an interesting and eye-catching design by Marco Dessí. Inspired by how jam cleats work on a sailing boat, this pendant light has a cable that holds a lampshade, suspended from the ceiling that goes all the way to floor. The top is fixed to the ceiling using an eyelet and the base anchors the light to the floor, being a truly unique and innovative light solution.

The Cima pendant lamp is available in 3 cable colours, gold, silver or yellow, and has a handy floor switch for ease of use. The lampshade can also be moved up and down the cable so you can direct the light where needed. Useful as both a reading/task light and an ambient light, this pendant-to-floor lamp can be used in many settings, making an impact in homes, offices, public and professional spaces.

You can purchase an additional spotlight for your Cima light [here](#).

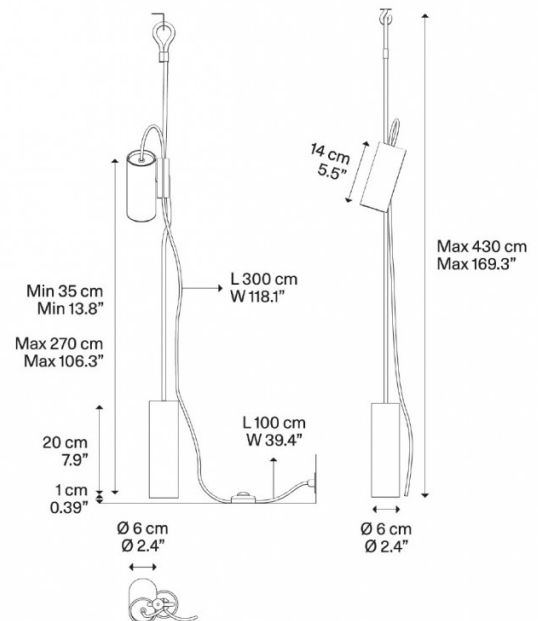

PRODUCT SPECIFICATION

Light Source: 1 x Max 10W GU10 Par 16 LED (excluded)

IP Code: 20

Dimming: In line dimmer included on cable.

Dimensions: Shade: Ø6cm
Max Height: 430cm
