PRODUCT DESCRIPTION

Designer: Elemental

Artemide Architectural "O" Indoor LED Floor Lamp

The “O” Indoor floor lamp defines space with a quiet, minimal ring and low-glare integrated LEDs for a soft, even glow. The slim aluminium profile reads crisp and refined in reception lounges, gallery thresholds and residential living areas, while CRI 90 supports faithful colour and material rendering.

Available in multiple diameters, with APP-compatible versions for simple scene programming and scheduling. Position singly as a sculptural marker or repeat to create wayfinding and rhythm across larger interiors.

As the official UK distributor, we can support you with the Artemide configurator and specification. Contact us at artemide@davidvillagelighting.co.uk.
