## PRODUCT DESCRIPTION

**Designer:** Elemental

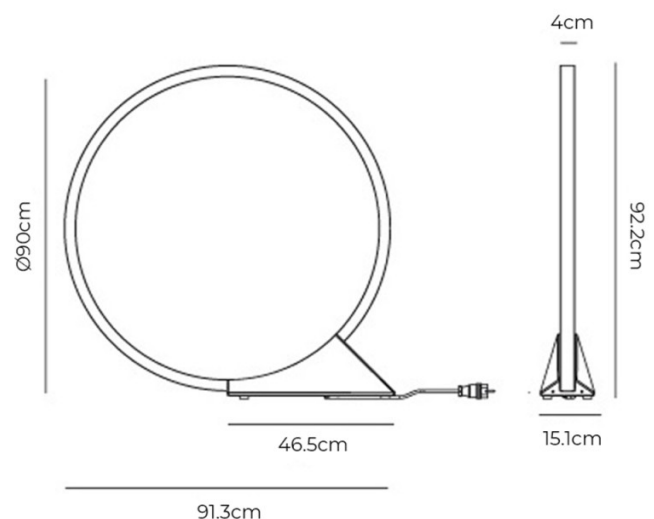

### Artemide "O" Indoor LED Floor Lamp

The Artemide "O" Floor Lamp is a simplistic and modern light that has a clean, rounded shape. When sat on the floor and switched off, this floor lamp frames the setting, providing a unique perspective to your interior. When switched on, the "O" Floor Lamp provides a steady and effective soft glow. The integrated LED source also sits on the inside of the frame, ensuring a no-glare illumination whilst also adding a unique design feature to the silhouette.

The Artemide "O" Floor Lamp is the embodiment of contemporary design, as it reflects the elements and has an unobtrusive nature perfect for many rooms. Use in homes, office spaces, professional settings and public places for a functional and ambient lighting solution. Although it is IP20 rated and can only be used in indoor settings, this collection of lights also boasts an [outdoor version](#) for your garden or patio.

**Please Note:** The Artemide "O" LED Floor Lamp is also available in an app-compatible version, which allows you to control the light remotely using the Artemide app on a suitable electronic device. Please [contact us](#) for more information and pricing.
