

Artemide**Artemide "O" LED Suspension****LA10367/S**SOURCE: <https://www.davidvillagelighting.co.uk/product/Artemide-O-LED-Suspension/21357>**PRODUCT DESCRIPTION****Designer:** Elemental**Artemide "O" LED Outdoor Suspension**

Designed by Elemental, as part of the successful [Artemide "O" collection](#), the "O" Suspension is suitable for indoor and outdoor use. The simplistic and minimalist round design draws the eye whilst also not intruding too much on the space, thanks to its black colour finish. The Artemide "O" luminaire utilises an integrated LED light source, fitted within the spherical silhouette, which emits a glare-free, functional illumination that is soft and welcoming in your space.

The Artemide "O" LED Pendant is available in 2 sizes, the smaller 45 and the larger 90, and is dimmable, allowing you to formulate the exact atmosphere you need for your exterior or interior. Use in lounges, offices, gardens, patios and much more for a contemporary aesthetic and a useful glow. It can be used independently or alongside other applications in the [range](#).
