Decanterlight Chandelier Light by Lee Broom

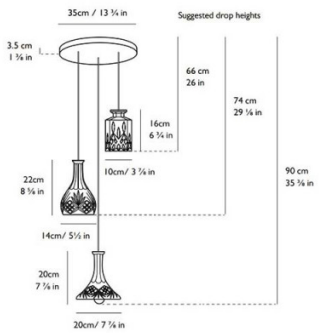

The Lee Broom Decanterlight Chandelier is an opulent and stunning light fixture that consists of either 3 or 5 of the Decanterlight pendants. Each lampshade takes inspiration from traditional glassware decanters and whiskey glasses, with a beautiful hand-cut crystal design characterising each pendant.

This chandelier can be utilised in residential homes, professional settings or commercial interiors, to operate as a gorgeous central light. The bulb is exposed and sparkles through the glass to provide a twinkling and eye-catching glow — a unique and spectacular light fixture. Display the Decanterlight Chandelier over your dining area, workspace, coffee table or kitchen island. It also provides a captivating lighting solution in shops, galleries and even libraries.
