PRODUCT DESCRIPTION

Designer: Bernhard Osann

Fox LED Floor Lamp by Nemo Lighting

Designed by Bernhard Osann, the Fox floor lamp is a flexible and functional light, that can be utilised in a wide variety of settings. Made from black painted steel, this floor lamp has a bent arm that can move from side to side. The aluminium shade acts a spotlight and can be move so you can direct the light where you need.

The Fox floor light also comes with a honeycomb filter which you can use in the shade to create an anti-glare illumination. Particularly useful as a reading or task lamp, this LED floor light can be used in lounges, hallways, reception areas and many more.
