## PRODUCT DESCRIPTION

**Designer:** Bernhard Osann

### Untitled LED Table Lamp by Nemo Lighting

The Untitled table lamp is a flexible and adjustable light that can be used in many spaces as a handy reading or task lamp. This table light is available with either a linear or a spot lampshade, with the linear shade providing a bigger flow of light and the spot shade providing a more narrow, concentrated glow.

The Untitled LED table light is made from matt black aluminiumn and has a sleek and contemporary look. The minimalist aesthetic makes this table lamp perfect for use on tables, desks, side tables and more for both the office and the home.
