## PRODUCT DESCRIPTION

**Designer:** Charlotte Perriand

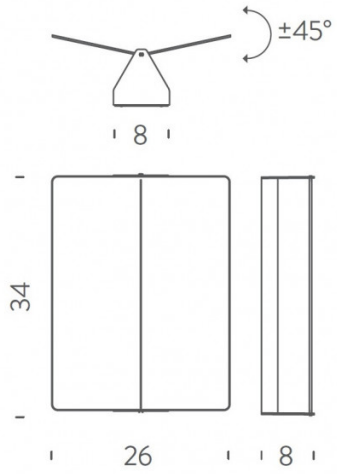

### Applique à Volet Pivotant Plié LED Wall Light by Nemo Lighting

The Applique à Volet Pivotant Plié LED Wall Light is the largest model in Nemo Lighting's **Applique à Volet Pivotant Collection**, distinguished by its understated rectangular form. Originally designed by Charlotte Perriand, an influential figure in 20th-century design, it reflects her signature balance of functionality and style. With an IP54 rating, it is suitable for bathrooms, wet rooms and outdoor settings.

A vintage design classic, the Applique à Volet Pivotant Plié LED Wall Light features an integrated LED light source that delivers warm, soft, indirect illumination. Available in a range of bold colourways, it can create a striking focal point or complement an existing interior scheme. Two independently adjustable front panels tilt up to 45°, allowing users to control the direction of the light. Suitable for horizontal or vertical installation, this versatile wall light brings distinctive character to homes, offices and commercial spaces.
