PRODUCT DESCRIPTION

Designer: Lucie Koldova

Brokis Ivy Portable Table Lamp

The Brokis Ivy Portable Table Lamp reimagines decorative lighting through the lens of nature. Designed by Lucie Koldova, this compact, cordless light draws inspiration from climbing ivy, with its organic silhouette and gentle curvature. A handblown glass shade, available in opal, smoke grey, or matte light pink, softly diffuses the integrated LED, casting a warm and calming glow perfect for evening ambience or intimate settings.

Combining portability with high-spec technology, the Ivy Battery light features a rechargeable lithium battery that lasts up to six hours at full brightness. It offers three dimming levels via touch control anywhere on the metal frame and supports both USB-C and wireless charging. Lightweight and elegant, this lamp is ideal for both indoor and sheltered outdoor use, making it a refined companion for dining tables, balconies, lounges, and hotel settings.

The Ivy Battery portable lamp is also available with an anthracite grey metal structure. Please contact us for more information and prices.
