PRODUCT DESCRIPTION

Designer: Lucie Koldova

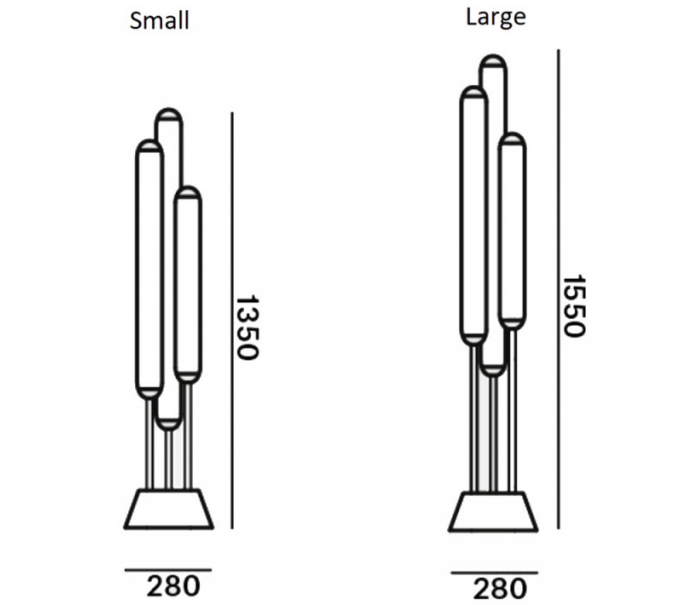

Brokis Puro LED Floor Lamp

The Brokis Puro LED Floor Lamp takes the iconic tubular silhouette of the pendant and translates it into a striking floor-standing form. Designed by Lucie Koldova, the lamp features three vertical handblown glass tubes arranged atop a sturdy powder-coated base. Each tube is fitted with an integrated LED module that produces a soft, ambient glow, ideal for adding warmth and structure to modern interiors.

The Puro Floor Lamp is available in two sizes, with a choice of opal or smoke grey glass and a black or white structure. Customisable options also include dimmable drivers and colour temperatures ranging from 2700K to 5000K. This versatile floor lamp fits effortlessly into living spaces, hotel lounges, galleries or design-forward offices, offering both atmospheric lighting and visual intrigue.
