Astro Hashira Pendant

The Astro Hashira Pendant Light is a contemporary pendant with a faceted form inspired by neoclassical architecture. Its sculptural aluminium shade creates a defined silhouette, while the downward light output casts a focused pool of illumination and shadows that echo the shape of the fitting. The result is a pendant with a clear architectural presence without becoming overly heavy in the space.

Available in Matt Black, Matt Gold, and Matt Nickel, Hashira can either stand out against the ceiling or sit more quietly within the room. The ceiling rose matches the finish of the shade, and the fixing details are kept out of sight, giving the pendant a neat, simple look, whether used on its own or in a row.

Hashira uses a GU10 lamp, sold separately, and is dimmable when paired with a compatible dimmable bulb. Designed for interior use, it can also be installed in bathroom zone 3 and is suitable for mounting on flammable surfaces.

Best suited to dining tables, kitchen islands, counters, bedside pendant positions, hallways, and bathroom zone 3 feature lighting.

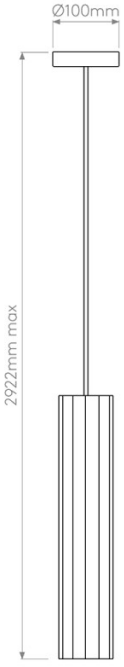

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W GU10 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Shade: Ø8.15cm
Shade Height: 40cm
Ceiling Canopy: Ø10cm
Maximum Drop: 292.2cm
