Take Table Lamp by Kartell

Brand New, boxed in original packaging
1 x Olive Green Available

The classic image of the bedside lamp has been revisited by Kartell technology and transformed into an industrial product.

Made of transparent or mass-dyed renewable raw material polycarbonate, Take is available in various chromatic tones and is a of Kartell Loves the Planet, their sustainability initiative.

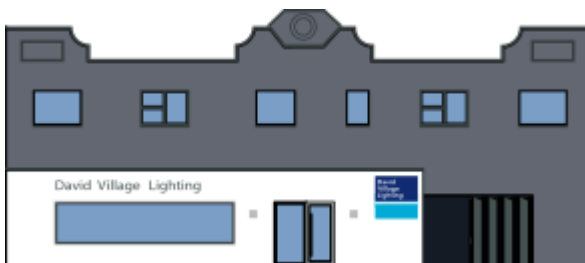

The shape comes from the joining of two joined symmetrical parts: two flat, rectangular and two-dimensional plates which each assume the shape and volume of a half-lamp.
