Flos IC Outdoor Floor Lamp

Designed by Michael Anastassiades, the IC Outdoor Floor Lamp is part of the [Flos IC Collection](#) and is suitable for interior settings as well as gardens, patios and decking areas. This elegant lighting solution is made from metal, with a simple rod structure that holds a spherical glossy glass diffuser, creating an inviting and warm illumination. This elegant geometric silhouette allows this outdoor floor lamp to adapt to a wide variety of contemporary environments.

The IC Outdoor Floor Lamp is available in 5 finishes, black, brass, deep brown, stainless steel and matt red burgundy, with each finish being paired with a coloured marble base. The IC Floor Lamp is also available in 2 sizes, so you can find the right look for your space. Complete with a dimmer switch for full control of the lighting output, it is a beautiful way to illuminate residential and commercial spaces.
