PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Beat Tall LED Pendant

Tall and slender, as its name suggests, the Tom Dixon Beat Tall Pendant lends itself to any space and interior and provides a soft downlight that makes it perfect for use above dining tables or workspaces. Beat is crafted from spun brass and boasts an elegant geometric silhouette that adds character to whichever room you decide to display it in.

This luminaire can be installed individually or in clusters in both residential and commercial properties and is available in three finish options, Brass or Black/Brass - allowing it to adapt to various contemporary styles. All three finish options are supplied with a black cable, 250cm long, allowing you to hang the light as high or as low as you desire.

Please Note: the newer version of the Tom Dixon Beat Tall Pendant offers a replaceable LED component.
