PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Beat Fat LED Pendant

Recognised in various places, restaurants, homes and hotels all over the world, the Tom Dixon Beat Fat Pendant draws inspiration from traditional Indian water vessels, especially their simplicity. Able to be displayed individually or in multiples and along other pendants in the [Beat Collection](#), the Beat Fat LED Pendant provides a direct downlight and is available in black/brass or an all-brass finish. The pendant hangs from a 250cm long black cable, which allows you to place the pendant as low or as high as you desire.

The elegant silhouette of the Beat Fat Pendant adds a creative touch to your interior and is a beautiful addition to contemporary spaces. A perfect way to illuminate dining tables, kitchen islands, and reception areas, this pendant light can be utilised in both residential and commercial environments. To install multiple Beat lights from a single canopy, please [contact us](#) for more information and pricing.

Please Note: the newer version of the Tom Dixon Beat Fat Pendant offers a replaceable LED component.
