PRODUCT DESCRIPTION

Designer: Alida Catella & Silvio De Ponte

Look At Me Pendant Light by Artemide

Inspired by geometry, the Look At Me pendant lamp is a modern marvel that has distinct and clear lines for a contemporary look. The pendant is available in 2 versions, the Look At Me 21 and the Look At Me 35, with both having a sleek cone shape. The pendant light has an integrated LED light source with two lenses on the inside of the lampshade to produce a controlled and efficient glow and the source also reflects the profile of the shade to produce lines of light that add more depth and character to the aesthetic.

The Look At ME LED pendant comes in a chic black colour and is best used when hung over tables and surfaces as the light directs downwards. The pendant lamp can be used in homes and in professional spaces and will look beautiful when used in multiple.
