Ontherocks Wall Light by Flos

The Ontherocks HL wall light, designed by Antonio Citterio with assistance from Toan Nguyen, is a chunky crystal clear glass wall light which is surrounded by white frosted glass to create a diffused and sparkling light output. Using high-grade metal, this stylish wall light oozes industrial charm, yet it also possesses a modernity that provides an interesting contrast.

The classic yet contemporary aesthetic of the Ontherocks wall lamp provides a pleasant, beautiful light without dazzle. Place the wall lamp in a living room, kitchen or bathroom to provide a focal and effective lighting solution.
