Flos Glo-Ball Mini Ceiling / Wall Light

Designed by Jasper Morrison, the Glo-Ball Mini Wall/Ceiling Light is the smallest of two ceiling/wall lights in the **Flos Glo-Ball Collection**. It provides diffused light and illuminates its surroundings beautifully, drawing your attention when switched on. A truly versatile and functional light, the Flos Glo-Ball Mini can suit a variety of needs in both residential and professional settings.

Available in 2 versions, you can choose between a Mini Glo-Ball that can be mounted on the wall and ceiling, or that can be mounted onto a mirror. Suitable for application in your bathroom, the wall/ceiling mounting option has an IP44 rating, and the mirror mounting option has an IP40 rating. It is a popular choice for next to mirrors and effortlessly adapts to a wide range of interior styles, providing ample accent lighting whilst offering a sleek aesthetic.
