PRODUCT DESCRIPTION

Designer: Gino Sarfatti

2097/50 Chandelier Light by Flos

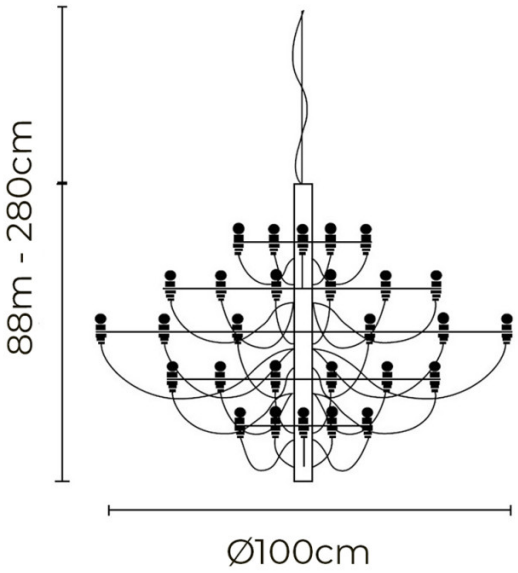

A larger installation in the Flos 2097 family, the 2097/50 Chandelier features 50 arms that all house their own bulb and is available in three finishes: brass, matt black or chrome. A classic chandelier designed for Flos in 1958 by Italian designer Gino Sarfatti, the Flos 2097 chandelier light has become a timeless piece, combining a clean modern design with the sophistication of traditional chandeliers.

The 2097/50 chandelier provides diffused light and fits superbly in high ceiling rooms in private homes, but can also be a great choice for hospitality - especially restaurants, bars and hotels. Use this elegant luminaire in many settings to create a luxurious and contemporary look that will catch the eye and act as a focal point in the room.

Please Note: Each of the 50 arms of the 2097/50 holds its own lamp; you can choose between frosted or clear lamps. 52 lamps are provided and included in the price to give you 2 spares.
