PRODUCT DESCRIPTION

Designer: Jasper Morrison

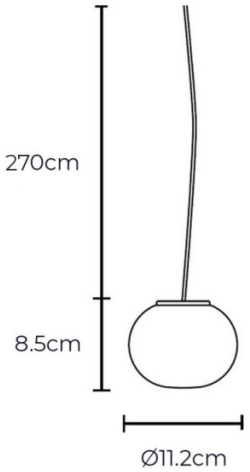

Flos Glo-Ball Mini Suspension

With a diameter of just 11.2cm, the Flos Mini Glo-Ball Pendant is the smallest in the **Flos Glo-Ball Collection**. Although miniature in size, it retains Glo-Ball's characteristic features, boasting a spherical glass diffuser in a white opal colour, which appears as a floating orb when switched on. This opal glass provides diffused illumination, which fills the room without delivering any glare and offers an elegant silhouette to your interior design.

The Glo-Ball Mini Pendant Light was designed by Jasper Morrison and is ideal for smaller spaces or displayed as part of a cluster of Glo-Ball pendants of the same or varying sizes, a beautiful way to add ambient lighting to bedrooms, stairwells, above side tables and in dining areas. The Flos Glo-Ball Collection also includes a range of ceiling, wall, table, floor and suspension lights which can be used alongside the mini suspension for a cohesive design scheme.
