FOSCARINI

Caboche Plus LED Table Lamp by Foscarini

A part of the [Foscarini Caboche collection](#), the Caboche Plus table light updates the popular lamp, with a more user-friendly design and an integrated LED light source. The shade resembles a pearl bracelet, made from multiple spheres which look elegant and spectacular.

A bestseller from the Foscarini brand, the Caboche Plus table lamp is available in a transparent or grey finish, with each colour letting the light escape in a light, airy and warm way. A true style icon, this table light can be used in many settings, useful on tables, desks, shelves and side tables to create a wondrous ambience.
