PRODUCT DESCRIPTION

Designer: Michele De Lucchi

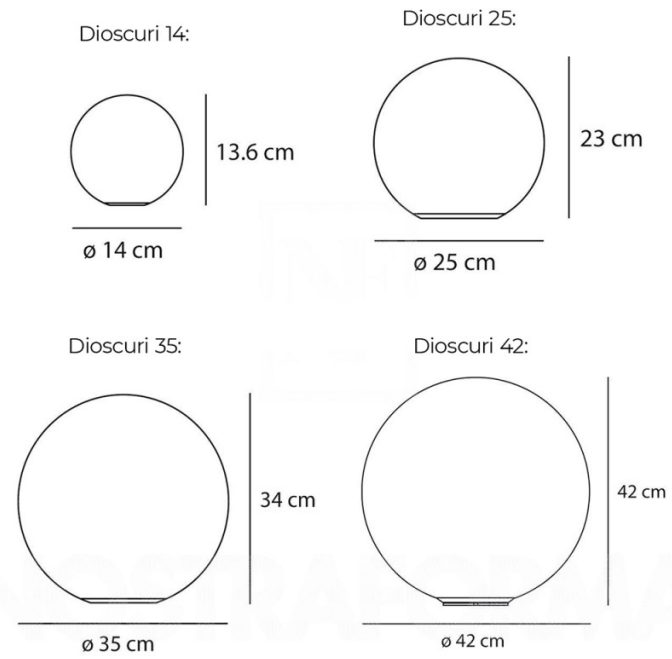

Artemide Dioscuri Table Lamp

Designed by Michelle de Lucchi, the Artemide Dioscuri Table Lamp boasts a minimalistic form and emits an evenly dispersed illumination. Available in four sizes, this design can adapt to a range of interiors, providing ambient task lighting in offices, reading nooks, bedrooms and dining areas. The Dioscuri is crafted from blown glass, with a smooth acid-etched finish, and it illuminates any interior with simple elegance.

While the smallest size of the Dioscuri features an in-line on/off switch on the cable, the three larger sizes incorporate a dimmer, allowing you to dim the lighting output and personalise the overall ambience of your space. The Dioscuri Table Lamp is also available as a **Ceiling/Wall Lamp**, it can be used independently or alongside its counterpart for a more cohesive interior.
