Foscarini Gregg Pendant

With its organic shape, the Foscarini Gregg Pendant Light easily blends in with its surroundings yet becomes a luminous presence and draws all attention when lit. Designed by Ludovica and Roberto Palomba, this luminaire has a beautiful glass shade that diffuses the light to create a warm, far-reaching glow that will illuminate the room. With the ability to also dim the light, you can create the exact ambience you want in your space.

Suitable for many types of settings in professional and home interiors, the Gregg Pendant by Foscarini is available in various sizes to find the right fit for you, whether you want to light a big dining room or a small bedroom. This lighting solution is both stunning and refined and will add a chic touch to the room. The Gregg Pendants can be clustered using the **Foscarini Gregg Multiple Composition**.
