Flos Glo-Ball Floor Lamp

The Flos Glo-Ball Floor Lamp emits a diffused, glare-free illumination and provides a beautiful glow in your space. Designed by Jasper Morrison, the Glo-Ball Floor Lamp is available in three sizes, **F1** (small), **F2** (medium) and **F3** (large), and allows you to choose between a silver and black structure. Atop the stem is a spherical opaline glass diffuser, resembling a glowing orb when switched on.

This floor lamp is suitable for all rooms in your home and is equipped with an electronic dimmer switch, allowing you to adjust the brightness to your preference. An elegant addition to living rooms, entryways, dining rooms and bedrooms. Similarly, the Flos Glo-Ball adds a sophisticated aesthetic to commercial spaces such as hotels, offices and restaurants.

A compatible Flos bulb can be purchased separately. Please check individual bulb pages for product compatibility.
