PRODUCT DESCRIPTION

Designer: Edward Barber & Jay Osgerby

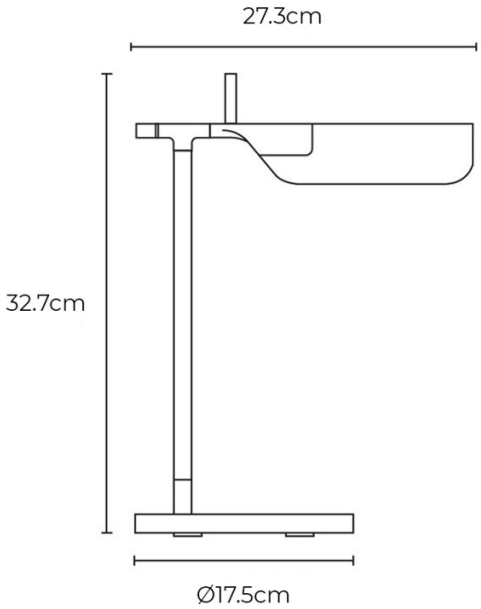

Flos Tab LED Table Lamp

The much-anticipated Tab LED Table Lamp by the award-winning British designers Edward Barber and Jay Osgerby is available in a choice of four colour options: matt blue, matt dark green, glossy white and glossy black. The Flos Tab LED Table Lamp provides a lovely direct glow with no glare, and has an adjustable head, giving the versatility to direct light anywhere in the room.

This modern table lamp has a porcelain reflector and aluminium body, as well as a dimmer switch on the power cord, allowing you to personalise the lighting output. The lamp's head can rotate 90° on the horizontal axis, due to a new and improved joint. The Tab collection also includes a **floor lamp** that can be used alongside this design.
