Kartell FL/Y Medium Pendant

The Kartell FL/Y Pendant was designed by Ferruccio Laviani to add a playful touch to your interior. This version of the FL/Y is provided in a medium size with a diameter of 52cm and comes in various eye-catching colours and finishes. FL/Y boasts a curved shade that encases the inner light source and projects the illumination onto the surface below; for the transparent versions of this luminaire, the lighting output is also softly diffused through the structure. The fact that the shade is not perfectly hemispherical was a decision made by Kartell to maximise the light collection of the pendant, giving a glistening and iridescent light display.

FL/Y Medium is perfect for kitchens, bedrooms or living areas, expressing the cheerful and joyful spirit of Kartell while also ensuring an evenly diffused ambient glow. This pendant can be displayed individually as a singular pendant or in a cluster or linear display. The Kartell FL/Y Pendant is also available in a smaller **38cm** and larger **83cm** size.
