Kartell Easy Pendant

Available in vibrant colours or metallic finish, the Easy pendant by Ferruccio Laviani, excites and captivates. When turned on the Easy suspension just becomes a colourful central piece in the room. While the pendant can stand beautifully on its own, you can select to create your own vivid cluster.

The Easy pendant has a cylindrical shade and is available in transparent colours in red, blue, grey, blue, white or purple while its latest addition to the family include a chrome or golden version. A smoked section on the shade means the light is both diffused and refracted.
