PRODUCT DESCRIPTION

Designer: Ferruccio Laviani

Kartell Neutra Pendant Light

The Neutra pendant designed by Ferruccio Laviani, is a minimalist and elegant designer light. The Neutra suspension has a circular shape and it rather fits with the Extra-Large pendant lights. The shape of the Neutra is composed from two shells, enveloping the structure - same way as a snap together kid's toy. The organic shape of the Neutra light means the light diffuses uniformly around the entire shape of the pendant, glare free and easy to adjust.

The Neutra has a contemporary and minimalist design, and certainly draws the eye when you enter the room. An ideal suspension for offices, meeting rooms, restaurants but its also suitable for private use, above your dining room table or kitchen island. The pendant is available in a matt black or matt white.

Material:

Internal frame - Polycarbonate

Diffuser - Batch-dyed PMMA

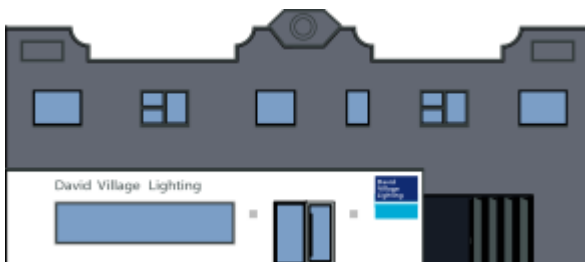

Lamps included.

PRODUCT SPECIFICATION

IP Code: 20

Dimming: Non-dimmable.

Dimensions: Ø 90 cm diffuser
22 cm diffuser height
